### REQUIREMENTS:

1. A plan or sketch drawn to scale (with dimensions) indicating the location, size, design, colors, lighting and materials of the proposed sign. The plan shall also show the building façade upon which the sign will be placed.
2. Sign permits shall be granted by the Community Development Director for signs that conform to the Town Centre I Sign Policy, the Town Centre Design Manual sign criteria, and the standards of the City's Sign Ordinance. The Director's decision may be appealed to the Design Review Committee.

---

### Planning / Environmental Services Manager Certification

I hereby certify that the subject application for a sign permit meets the filing requirements for the submittal of an application for a sign in the Town Centre I Redevelopment Project Area.

I also certify that the sign proposed under the subject application complies with the Town Centre I Sign Policy, Design Manual Sign Criteria, and the Town Centre I Redevelopment Plan.

I further certify that the applicant has provided my office with sufficient evidence to assure me that they've retained competent graphic-design services, and that the proposed signage will be executed in an artistic and workmanlike manner.
